SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

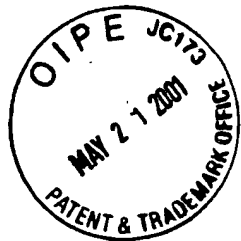

Assistant Commissioner for Patents
Washington, D.C. 20231

S I R :

Pursuant to 37 C.F.R. §§ 1.97 and 1.98 and to the duty of disclosure set forth in 37 C.F.R. § 1.56, the Examiner in charge of the above-identified application is requested to consider and make of record the references listed on the PTO 1449 submitted herewith. A copy of each of the listed references is also enclosed.

Although the information submitted herewith may be "material" to the Examiner's consideration of the subject application, this submission is not intended to constitute an admission that such information is "prior art" as to the claimed invention.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

More than three months have elapsed since the filing of the above-referenced application. No first Office Action has yet been received and it is presumed that none has yet been mailed. Furthermore, all of the references disclosed herein were cited in a communication from a foreign patent office in a counterpart foreign application within the last three months. Accordingly, a certification, as specified in 37 C.F.R. § 1.97(c), is provided herewith. Therefore, no fee is required, even if an Official Action has been mailed.

It is noted that the PCT Search Report cites an article titled "Money Talks" (item 6 listed in the "Other Documents" section of Form 1449) with slightly different bibliographic information than the actual document supplied by the Search Authority. Form 1449 reflects what is believed to be the correct bibliographic information for the article actually provided by the Search Authority

CERTIFICATION

The undersigned, an attorney registered to practice before the U.S. Patent and Trademark Office, hereby certifies that each reference disclosed in the subject Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months before the filing of this Information Disclosure Statement.

Respectfully submitted,

RATNER & PRESTIA
